

Usage and Maintenance Instructions

Tools Required

- Drill
- Hammer
- Cross screwdriver

Before Installation

For your safety, we recommend that you take the following protective measures before installation.

- Protective gloves
- Protective glasses
- Protective shoes
- Protective clothing

1. The product must be installed on a wall with load-bearing capacity and installed in a suitable position with our matching screws.

2. Please check whether all products and accessories are complete and intact before installation. If the accessories are missing or damaged, please contact us and do not use damaged products or accessories.

3. When determining the position of the folding stool, please check whether there is a hidden tube in the wall.

Usage and Maintenance Instructions

1. Measure the height from the ground, remove the adhesive of the template, and stick it on the wall.

2. Drill holes at the positioning points

3. Remove the template.

4. insert the expansion bolt and tap it with a hammer until it is flush with the wall.

5. Align the holes and tighten the screws.

6. Enjoy!~

Important Safety Instructions

- Check that the wall screws are tight before use.
- Fold the seat when not in use to avoid walking into it and causing damage.
- Keep the product away from high temperatures.
- It is recommended that children, the elderly and disabled people are supervised when using the seat.
- Do not use this product as a load-bearing object.
- Do not stand on the chair.
